### Plans for Trieste Election Pressed by Yugoslavia

By the Associated Press  
BELGRADE, Yugoslavia, April 12.—Despite Italian demands for possession of Trieste, Marshal Tito's "People's Front" pressed ahead today with plans for the first postwar general elections in the Yugoslav-held zone of that free territory.

The elections, scheduled for April 16, come at a time when Yugoslav-Italian relations are again badly strained over disposition of the important Adriatic city of Trieste and its surrounding territory.

Yugoslavia over the week end flatly rejected proposals by Italy's Foreign Minister, Count Carlo Sforza that the two nations get together to settle the question.

Yugoslav officials have declared Italy's proposals are expansionist and that this country can never consider giving up its claim to the part of the territory it controls.
